THE NUHOSCA

Presented by

The Beta Club

New Hope School

Goldsboro, North Carolina

FOREWORD

One day quickly following another, the eternal bell saying you're late to class, the thrill of the last two minutes of the game, the butterflies in your stomach as the curtain slowly opens, the breathless excitement as Christmas vacation begins, the proud smile at the display of Christmas finery, the timid very careful girls in their evening dresses, the lump in your throat as the Seniors go down the aisle--all these things are our life, our history for this year.

In this volume of the Nuhosca, you see reflected as in a clear pool the joys, laughter, and a few tears of the year '48 and '49.

As ripples go out when a pebble is dropped into a pool, so our friends will go out from New Hope but always this reflection will be a link to hold this present to our future.

The close of this school year will mark the end of two years of residence and work for our principal, Mr. Herren. These two years have been marked by his desire and efforts that the school be the vital force for the students and community which it should be. For this interest and work we express our gratitude in the dedication of our annual to him.
